

Matter Project

- Using the terms in the Quizlet, make a collage of pictures of items around your home that represent each term. When you take the pictures, make sure to have a coin (penny, nickel, dime, or quarter) in each photo. Use at least 2 different examples for the terms.
 - https://quizlet.com/_4zhfdf
- Projects should be half a poster board or in a little book
- Write a reflection about finding “chemistry” around your house

Points:

_____/13 for pictures with a coin in each picture

_____/13 for correct picture and term

_____/4 for creativity (color, neatness)

_____/10 for reflection (good grammar, spelling and punctuation)
