

St. Catherine of Siena Academy is a Catholic all-girls college preparatory school. Open since 2010, we are celebrating our 10th anniversary. As we celebrate a decade and build our legacy, we continue to expand our student population and rigor in Catholic academic tradition. Students come to St. Catherine from over thirty different public and private schools. Applicants must pass an entrance exam to enroll.

Our mission is to educate young women to develop their *feminine genius*—their unique dignity, identity, and gifts as women created in the image of God. Our philosophy is to form the whole woman, in faith, reason, leadership, and in sisterhood. To do so, we prize a life of virtue and follow the inspiration of our patroness, St. Catherine of Siena, sending our graduates off to set the world ablaze.

Upon knowledge, follows love.

CURRICULUM

St. Catherine offers a comprehensive and rigorous college preparatory curriculum for students, including Advanced Placement and Honors classes. We have an intensive science program which includes a pre-medical internship opportunity for students who meet the academic requirements. Our electives focus on business, music and the arts. In addition, we require students to study Latin and Philosophy as the roots of language and reason. Students are also provided opportunities to develop strengths through service to the community.

GRADING SYSTEM

Grade point averages are computed on an unweighted 4.0 scale. Students receive an exact rank.
