## **SCA Dance Attire**

Dresses must be longer than the tip of the longest finger. Dresses must have straps or on-the-shoulder sleeves. If there are no straps, or sleeves are off-the-shoulder, the student's shoulders must be covered with a wrap of some kind for the duration of the time that she is at the dance.

The following are NOT allowed:

- strapless dresses
- one-shoulder or off-the-shoulder dresses
- plunging or cleavage-revealing necklines
- plunging cuts in the back
- cutouts on the sides or lower back
- stomach showing
- lacy, see-through dresses with a revealing shell underneath (a lace dress with an appropriate shell underneath that meets this policy is fine)
- Halter-style (open back)
- skintight

If a student arrives at the dance with any of the above (or with a dress that is too short, or a dress that does not have straps/is off-the-shoulder and her shoulders are not covered), parents will be called to bring adequate covering for the student. If parents cannot provide a covering of some kind, then the school will provide adequate covering for the student if she wishes to stay at the dance.

**If you have questions about your dress, see or email Ms. Hehs.**
