Favorite memory at SCA:

- The time I got my car blessed by Ms. Ervin after getting into a car accident..
- Working in St. Cate's Corner with Mrs. Mac!!
- When we went to AirTime sophomore year, and I was to stop talking to the staff there.....even though I worked there at the time and still do.
- All the mornings spent in my car blasting music and dancing with my friends before first hour started.

Parish:

St. Thomas Chaldean Catholic Church

Middle School:

St. Patrick in White Lake

What I will miss most:

- I will miss my friends the most...
- I will miss Ms. Brooks because she has taught me since freshman year and helped me a lot during these last four years. She never gave up on me and showed me that I have a lot to offer, reaching my full potential.
- I will miss Mr. Tibbits and his current events in the beginning of class.
