

Class of 2020

#SCAstars #SCAseniors #SCAsisterhood

Extra-curricular activities included:

I was involved in the yearbook and SCA Praise.

After graduation plans:

I will be attending Washtinaw Community College in the fall then I will be transferring to The University of Michigan Dearborn to study Mechanical Engineering.

Favorite memory at SCA:

It's so hard to pick just one memory, there were so many throughout my four years at SCA. But, my favorite memory probably has to be when I walked in my freshman year and knew I was going to make new friends. I could see how beautiful and pure the sisterhood was. There was also the day we celebrated Fr. Elmer's 90th birthday, that's a day I'll never forget. He was just so overjoyed, lots of families had made chocolate chip cookies for the school to eat with him. We had a party for him, someone had made stickers with his face on them and gave them to everyone in the school to wear. I still have that sticker on my laptop. That was also the day almost everyone cried at mass because Fr. Elmer told us to play the 3rd verse of "When The Saints Come Marching In" because that's the song he wants us to play at his funeral. Fr. Elmer and the sisterhood is what makes SCA a school I'm proud to graduate from.

Parish: St. John the Baptist, Howell

Middle School: Highlander Way Middle School, Howell

What I will miss most:

I will probably miss the Faculty and Staff the most. They have given me so much to prepare me for college and live in general. I will miss the heart to hearts. I will also miss pulling pranks on teachers as well. (Like the time I hid in Mr. Mantia's closet freshman year haha)
