

Class of 2020

#SCAstars #SCAseniors #SCAsisterhood

Parish:

Our Lady of Sorrows

Middle School:

Spiritus Sanctus Academy

Extra-curricular activities included:

This year I was President of the Gianna Molla Society, a member of the Visual Arts Appreciation Club, the Varsity Field hockey team and the Varsity Soccer Team, as well as the Senior Historian for the school's executive council.

After graduation plans:

I will be attending Central Michigan University studying General Business and I hope to study abroad lots!!!

Favorite memory at SCA:

The day that the power went out on the second day of school Junior year and we all got to go home early! But also, my senior night for field hockey, and doing a lip sync in front of the whole school and falling over in the middle of it!

What I will miss most:

I will definitely miss my sisters the most. It was so amazing to go to a school for 4 years and make so many friends and sisters. I will especially miss the fun times making memories with everyone especially all the underclassmen I played sports with.

Upon Knowledge, Follows Love.
