## *What I will miss most:*

The thing I will miss most about SCA is seeing my friends every day: sitting in each other's cars in the morning and talking, walking into school together every morning, seeing each other in the hallways, goofing off during class, and helping each other through all of life's ups and downs.

## *Extra-curricular activities included:*

Varsity Soccer, Visual Arts Appreciation Club, Student Council, NHS

## *After graduation plans:*

In the fall I will be attending Central Michigan University as a part of the Honors Program and I plan to study Elementary Education.

## *Favorite memory at SCA:*

My favorite memory at SCA was the first day of senior year. We all arrived at school early in the morning and had a "senior sunrise" party in the parking lot that consisted of writing our names on our parking spots, drinking coffee, eating donuts, taking pictures, and having some good laughs. Looking back, that morning set the tone for the whole year and it reminds me to be grateful for every moment I have with the people I love because it can all go away so quickly.
