

# Class of 2020

#SCAstars #SCAseniors #SCAsisterhood

## *Extra-curricular activities included:*

I was involved in Robotics and Drama.

## *After graduation plans:*

I will be attending Michigan Technological University and studying cyber security. I was also admitted into the honors college and will be pursuing the honors pathway while at Michigan Tech. My dream career would be to work for the government with my cyber security degree.

## *Favorite Memory at SCA:*

My favorite memory at SCA was going to cedar point with my physics class junior year when we were approaching the end of the year and I tried going on roller coasters after being afraid for a while and actually enjoyed it.

## *What I will miss most:*

What I will miss most about SCA is being able see my friends and having my organizations like robotics after school is done.
