

Class of 2020

#SCAstars #SCAseniors #SCAsisterhood

Extra-curricular activities included:

Cross country, track, and VAAC

After graduation plans:

I will be attending Michigan State University to study secondary education.

Favorite memory at SCA:

First day of senior year. We got to school early to decorate our parking spots with chalk, hung out, drank coffee, and ate donuts.

What I will miss most:

Being able to see my friends every day: walking with them to class, giving each other “looks” when we don’t understand what’s happening in class, having lunch together, goofing off at practice, and supporting each other when we have a rough day.

Parish:

Our Lady of Victory

Middle School:

Hillside Middle School

Upon Knowledge, Follows Love.
