**Middle School:**

Our Lady of Good Counsel

*Extra-curricular activities included:*

HOSA, NHS, Internship, Theater

*After graduation plans:*

I plan on going to Grand Valley State University to pursue a degree in nursing! I hope to eventually specialize as an Emergency Room nurse one day :) I have no current plans to pursue a higher degree than a BSN and work as an RN.

*Favorite memory at SCA:*

My favorite memory at SCA was definitely junior retreat where I made some of my best friends for senior year!

*What I will miss most:*

I will miss everything from seeing my friends everyday, to my favorite teachers, and of course saying good morning to Mr. Bumpus, Ms. Hehs, and Mrs. Johnston with my best friend Ellie Scarozza every single day :)
