#SCAstars #SCAseniors #SCAsisterhood

Parish: St. Mary Magdalen

Middle School:
St. Patrick's, Brighton

Extra-curricular activities included:

HOSA, Gianna Molla, Field Hockey, and Lacrosse

After graduation plans:

I plan on attending Grand Valley State University for nursing. Once I graduate I hope to become a pediatric cardiology nurse.

Favorite memory at SCA:

One of my most favorite memories at SCA was all the fun times we had in Honors Bio, and winning Catholic Leagues in field hockey against FGR at the last second.

What I will miss most:

The one thing I will miss most about SCA is playing sports and spending everyday with my best friends.

Upon Knowledge, Follows Love.
