#SCAstars #SCAseniors #SCAsisterhood

Parish:

St. Thomas Chaldean Catholic Church

Middle School:

St. Patrick White Lake

Extra-curricular activities included:

National Honor Society

After graduation plans:

I will be attending University of Detroit Mercy in the 5 Year Physician Assistant Program and hopefully get a job as a Dermatology PA after college.

Favorite memory at SCA:

The first day of senior year, it was my last first day in high school and we were all so happy and excited for the school year ahead of us.

What I will miss most:

Laughing nonstop the entire day everyday and seeing my friends and the teachers who I've grown and made so many memories with over the past 4 years.

Upon Knowledge, Follows Love.
