

Class of 2020

#SCAstars #SCAseniors #SCAsisterhood

Extra-curricular activities included:

National Honor Society, Varsity Pom Pon, Varsity Tennis, HOSA

After graduation plans:

I will be attending the University of Michigan Ann Arbor to study nursing.

Favorite memory at SCA:

There are too many to choose from, but one of my favorite memories was the pilgrimage to Italy during Epoch Week this year. Tennis season my sophomore year was also a highlight because our team won Catholic Leagues and qualified for States. But honestly, I will even treasure the little things like jamming out in the car with my friends.

What I will miss most:

SCA has given me the best friends and teachers I could have asked for. They have truly inspired me, and I am going to miss them so much.

Upon Knowledge, Follows Love.
