**Middle School:**  
Our Lady of Refuge

## *Extra-curricular activities included:*

Chaldean American Student Association  
(CASA)

## *After graduation plans:*

I will be attending the University of Detroit Mercy and majoring in biology on the pre-PA track.

## *Favorite memory at SCA:*

My favorite memory at SCA is sophomore year when we made it to the final 4 in states for volleyball and the whole school was bussed out to Battle Creek to watch. The whole journey leading up to that was so exciting. Also 1st hour junior year.

## *What I will miss most:*

I will miss not having to pick out an outfit everyday and Mrs. Lucia.

*Upon Knowledge, Follows Love.*
