

Class of 2020

#SCAstars #SCAseniors #SCAsisterhood

Parish:

St. Joseph Catholic Church

Middle School:

Our Lady of Mount Carmel

What I will miss most:

I will miss the sisterhood from St. Catherine the most. I felt like everyone in my grade were my friends! My robotics team and friend group became a second family that means the world for me!

Extra-curricular activities included:

HOSA, Robotics, SONDER/ SCA Times, Drama, Student Council, NHS

After graduation plans:

Attending University of Michigan Ann Arbor for biomedical engineering or computer science

Favorite memory at SCA:

My favourite memory at SCA was during Epoch week. We started out going around and evangelizing on the streets of Campus Martius. However, we ended the day with petting 3 different animals, evangelizing a pigeon and visiting the Archbishop's office!

Upon Knowledge, Follows Love.
