## Favorite Drama Moment

There are so many,  
but performing my  
solo song in "This  
Girl's Life" sophomore  
Year is one of my  
favorites!

## Advice to Future Stage STARS

Have fun and enjoy  
the moment, because  
once a show is done,  
you'll miss it so much.  
Also, learn your lines  
and music as soon  
as you can!
