

## St. Catherine of Siena Academy Supply List | Summer 2020

By now, as a high school student, a preference for supplies has emerged (Fine Point vs. Medium Point pens, for example). This summer, with the current guidance provided for opening schools in mind, we are asking that students be very conscientious about buying the school supplies necessary to support success in the classroom. ***At this time, students must have their own supplies, as sharing is not permitted.*** We are providing as much of a list as possible as early as possible, to shop when school supplies are on sale.

The following list represents school supplies for many departments and classes:

### ALL STUDENTS:

- Pencil case/box
- Pens (blue, black and red)
- Pencils (#2) and erasers
- Hand sanitizer (personal size)
- Quick Study Academy Study Guides
  - **Required for:** Algebra 1 (Common Core Algebra 1), Algebra 2 (Common Core Algebra 2), Pre-Calculus, AP Calculus, Biology
  - **Recommended for:** Chemistry, AP Chemistry, Physics, MLA Guidelines (or MLA/APA Guidelines), Latin

**Note:** [Quick Study Academy Study Guides](http://www.barcharts.com/products/reference-study-guides/) can be purchased:
