Initial setup for your student’s lunch account

1. Log into your Parent PowerSchool Account (not the student’s account)  
   *(Note: Login must be from a desktop or laptop – not on a mobile device)*
2. Navigate to the LHS menu and click on the “Food Service” (blue wallet icon)

3. Next, click on the SETUP ACCOUNT yellow box
4. Next, check the “I agree to the Terms of Service” check box, and click “Accept“

5. Next, complete your profile and click “Submit”
6. Congratulations, you have completed setup of your lunch account. You are now able to add funds.

You can now log out of PowerSchool. Anytime you need to access your student’s lunch account, please log in through the parent PowerSchool account.
