

SCA Supply List | Summer 2021

As a high school student, it is likely that you know just what kind of school supplies you prefer (Fine Point vs. Medium Point pens, for example). Despite the new guidance for summer (no more masks outdoors, for sure), we are still asking students to be conscientious about buying school supplies necessary to support success in the classroom. We are asking that students be prepared with their own supplies. We are providing a list as possible as early as possible, to enable you to shop for school supplies when the sales begin in early July!

The following list represents school supplies for many departments and classes:

ALL STUDENTS:

- Pencil case/box
 - Pens (blue, black and red)
 - Pencils (#2) and erasers
 - Hand sanitizer (personal size)
 - Quick Study Academy Study Guides
 - **Required for:** Algebra 1 (Common Core Algebra 1), Algebra 2 (Common Core Algebra 2), Pre-Calculus, AP Calculus, Biology, AP Chemistry
 - **Recommended for:** Chemistry, Physics, MLA Guidelines (or MLA/APA Guidelines), Latin
- Note: Quick Study Academy Study Guides** can be purchased:
<https://www.barcharts.com/products/reference-study-guides/>
